Conditions of entry:

The race is held under the UCI regulation and those are of higher importance to those race provisions.

Team manager and by him represented competitor or a competitor him self acknowledges and agrees to the following provisions. By signing the application or submitting the online form declares that:

- he has read the propositions (rules) of this race, agrees with them and will follow them,
- start at their own risk,
- is physically fit and sufficiently insured for the race,
- will obey the instructions of the organizers.

By signing the application or submitting the online form notes that:

- the race takes place in unrestricted traffic conditions
- gives unlimited and free of charge consent with the publication of any pictures acquired in connection with the race, even if he is on them and agrees with the processing of personal data for the purposes of this race.

Each participant is obligated to:

- pass all the checks and keep to the race route,
- fix the starting number and an electronic chip in prescribed manner
- have a full head helmets throughout the entire race (!)
- at the finish line hand in the electronic chip to the organizers, otherwise he will not be classified.

The organizer promises that he will not share any personal information with any third party and he will handle all personal data in compliance with the current data protection legislation. Organizer is not liable for any personal injuries or damage to any property incurred by participants in connection with the race. The organizer reserves the right to change the route in the event of unforeseen circumstances. If the race could not take place due to god's will, or any other reasons, which has not arose due to the organizer's fault (such as natural disaster or epidemic), the entry fee will not be refunded.

The organizer reserves the right to change. You can find current information on the website.
